

Large Heath Butterfly Monitoring Workshop

IPCC will host a Large Heath Butterfly Monitoring workshop on
Lodge Bog, Co. Kildare on
Sunday 11th June

Meeting at the Bog of Allen Nature Centre @ 12pm.

The workshop will be lead by butterfly expert Jesmond Harding of
Butterfly Conservtation Ireland.

Participants will be trained to monitor the endangered Large Heath butterfly
(*Coenonympha tullia*) as part of a national monitoring programme set up by IPCC
and the National Biodiversity Data Centre.

Places on this workshop will be limited so please register
your interest with Katie at bogs@ipcc.ie

Event organised by Irish Peatland Conservation Council with support from
the National Biodiversity Data Centre and Kildare County Council
